

Kind Hearts in Schools

June 2024

Dear Parent / Guardian

Kind Hearts is a Manawatu based trust promoting kindness in our region. Kind Hearts in Schools is one of their initiatives. It provides resources for teachers and schools to assist with the creation of a kindness culture.

Your child has been selected to attend this year's Kind Hearts in Schools Regional Event at Awapuni Function Centre, Palmerston North, held on August 6th / 7th.

Your child will be travelling with their school group to the event and will be directly under their teacher's supervision.

The Kind Hearts Trust will be taking photos / videos on the day. We require permission to use photographs and video material of any person participating in the event for promotional and educational purposes and on our social media sites and in other public media.

We would be grateful if you could sign the attached form and return it to your school. We will not publish images or videos unless the consent form has been signed by you and returned to the teacher in charge.

If you would like further details about the Kind Hearts in Schools Regional Event, please talk to your school principal or your child's teacher.
