

Daily Reminder

Remind your self to be kind every day, make a kindness reminder and put it where you will see it every day - it may be a little message inside your school desk, a poster on your bedroom wall, a message worn as a necklace.

Something somewhere that reminds us all the world is a better place with kindness. Upload a picture of your reminder message.

Be a 
kind
Human
everyday!

KINDNESS
COUNTS

TREAT PEOPLE
with
